

St. Luke's Church Christmas Bazaar will add a new twist for safe shopping- an outdoor Christmas Market on Saturday, December 5 from 9 AM to 2 PM. The indoor/outdoor event will be held under cover in the open air church pavilion as well as the church's social hall.

This year's seasonal fundraiser will allow shopper's to social distance while they experience a fun-filled shopping excursion. Many of the traditional handmade gifts that shoppers have come to know and love will be available this year as well as some new and fun items.

Shoppers will also enjoy participating in our popular raffle featuring a His and Her Garden themed gift and a Christmas Bazaar Sampler Basket from our kitchen. You will also be able to bid on a number of items in our St. Luke's Silent Auction.

Homemade cakes, candy and other treats will be available for sale. In order to respect everyone's safety food samples will not be offered. Bazaar organizers will be following the appropriate protocols for safety based on the December guidelines.

This annual fundraiser is sponsored by the Women of St. Luke's and helps support numerous organizations throughout the North Georgia mountains. Free parking. Free admission. Handicap accessible. Cash and checks only.
